

Reason to Celebrate

Dear Friends,

Even during difficult times, our community still has so many reasons to celebrate. I'm excited to share that L.A. County is now permitting car parades, including

celebrations for our 2020 graduates. Monrovia prepared a comprehensive plan for a parade that ensures the safety of graduates, families, and school administrators, and other school districts are working on creative and safe ways to honor the Class of 2020. It's important that our hardworking students know that as they walk into the next chapter of their lives, we're cheering for them every step of the way.

As we decipher what's best for L.A. County, and strive to make it safer in the face of incredible challenges, the Board of Supervisors continues to balance health priorities with our dedication to businesses and neighborhoods. Today, the County announced beach bike paths will reopen just in time for the long weekend. Additionally, malls and other indoor retailers can now reopen for curbside service.

On Tuesday, I served as Chair for the second meeting of our [Economic Resiliency Task Force](#) and shared my goal to reopen retail, restaurants, and recreation throughout L.A. County by July 4. I am very grateful for the input of our sector leaders about the struggles their industries are facing and for their commitment to businesses. I know that by working collaboratively, we can reunite and revitalize L.A. County.

Best wishes,

Memorial Day

As we head into Memorial Day weekend, let's take a moment to pay tribute to the brave members of our Armed Forces throughout generations who lost their lives fighting for our freedom. Their legacies carry on in our communities and their lives remain in our hearts. We thank them, and the loved ones they leave behind, for their commitment to our country.

Back to Business

I'm excited to see local businesses think of creative ways to make their products accessible and safe for shoppers. We're grateful to Mindfulnest (top left) and Geeky Teas & Games (bottom left) in Burbank and Fin & Feather Club in Palmdale (both on right) for their safe and innovative strategies to connect with their communities. If you own a business or love a business, feel free to send in photos of your curbside pickup experience!

Soaking up the Sun

Fifth District residents are enjoying time outside at some iconic landmarks! The Rose Bowl Stadium loop, Descanso Gardens, and Vasquez Rocks are officially reopened.

Community Team

Thank you to the Antelope Valley Community Emergency Response Team for springing into action to serve residents. They distributed food to at-risk seniors, ensured safety at local testing sites, and proved their commitment to neighborhoods. We're grateful for their dedication to the AV community!

Town Halls

On Monday, I participated in a conversation moderated by journalist and L.A. Magazine contributor Jon Regardie hosted by the Los Angeles World Affairs Council. We discussed the latest on reopening our communities and getting people back to work.

Today, I joined in for the Back2Business webinar series cohosted by the Santa Clarita Valley Economic Development Corporation and Santa Clarita Valley Chamber of Commerce. I spoke alongside Mayor Smyth to share about our collaborative efforts to revitalize businesses and get this community back to work safely and quickly.

Investing in Our Future Workforce

Dear Glendale Youth Alliance,

I wanted to take the time to thank you and your team for helping me during one of the most difficult times in my life. I was recently experiencing homelessness and living out of my car and when my social worker took me to your agency, The Glendale Youth Alliance, you were quick to help in any way you could. Thanks to The Glendale Youth Alliance and your hard work I was able to receive a motel voucher for a couple of weeks that allowed me to have a safe place to stay every night while I awaited placement at my transitional housing program. Your assistance came at a time when me living out of my car was not the safest due to the COVID 19 pandemic. When everything and everyone was closing down The Glendale Youth Alliance was there to help. Thank you for your consistant check-ins and follow-ups, I greatly appreciate it.

The community is lucky to have an organization like The Glendale Youth Alliance that cares and provides much needed help in the most difficult situations.

Thank you,
Jay V

Community organizations are making a difference and changing lives for the better. Thank you to the Glendale Youth Alliance for stepping in to help Jay and for continuing to serve so many others.
