

# Reopening with Care & Caution

Dear Friends,

L.A. County has worked to strike a balance between restoring life back to normal while also protecting the health of all our residents. The Department of Public Health has given a green light for card rooms, casinos, nail salons, spa services, and tattoo parlors to reopen beginning today with proper safety protocols in place. I know this decision was made with thought and care, allowing small businesses to get back on their feet while providing protections to prevent further spread of COVID-19. We are confident that with distancing measures and face masks maintained as common practices, we can keep the positive test rate at eight percent or below and make sure our hospitals don't become overwhelmed.

These efforts will only be successful if our residents are all safe. Even as we return to our favorite local businesses and activities, we know this pandemic isn't completely in the rear view. If you'd like to learn more about the work underway to maintain safety practices and to test and track cases, please visit the [Department of Public Health's website](#). For more on the latest reopening effort, visit [covid19.lacounty.gov](https://covid19.lacounty.gov). Thank you for your continued collaboration as we navigate our road map to recovery.

Best wishes,

# Great Plates

I'm proud to see so many local restaurants participating in the Great Plates Delivered program. This innovative effort matches eateries to older adults to provide them with three healthy meals a day. In addition to feeding those in need, it supports businesses impacted by the pandemic. Flapper's Comedy Club in Burbank is one Fifth District business that has made the most of an opportunity to serve their neighbors.

## Los Angeles County Economic Recovery: COVID-19 Business Response Survey

Visit [bit.ly/3hBkV9D](https://bit.ly/3hBkV9D) to submit  
your response today!

Business owners are invited to fill out this survey to have their voice heard about how COVID-19 has affected them. Please provide input on resources and support you need so the County can guide regional recovery for our communities. Information will also be used to inform officials about emergency services and programs.

# You Count

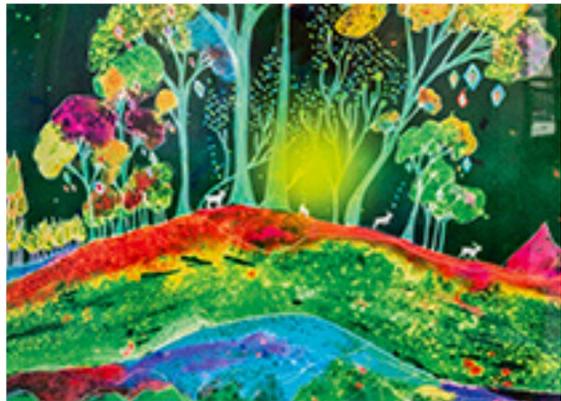

Today our country commemorates Juneteenth. We continue to honor this meaningful day in our nation's history and look ahead to our future as a county and as a nation with a commitment to unity and equality.

African-American communities are often left out of the census. Unless every resident gets counted, L.A. County will lose millions of dollars that could go to hospitals, schools, and neighborhoods. During the 2020 census, let's ensure equity and aim for everyone to get counted.

Get counted.

# Happy Father's Day

*"My father gave me the greatest gift anyone could give another person: He believed in me." -Jim Valvano*

Wishing a very Happy Father's Day to all the dads in L.A. County! I'm constantly reminded of the life lessons and support my own dad gave me.

If you're looking for some Father's Day fun, check out what the [Department of Parks and Recreation](#) has in store.
