

# THE FOUNDATION FOR LIVING BEAUTY

## Shopping for a Brighter Tomorrow!

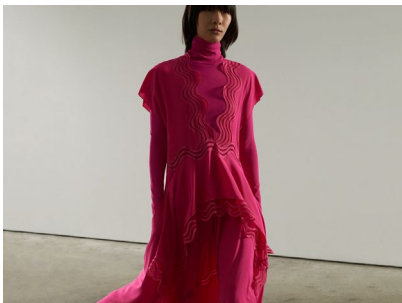

The Foundation for Living Beauty is 100% privately funded by donors and companies who believe in our growth and continue to support us through different fundraising efforts, many of which can be supported by the public.

We are humbled to share a number of different campaigns and events below that allow us to continue to make an impact on women with cancer. Your support of any kind (even just sharing this email with others) provides us with the resources to continue to educate, uplift and empower women with cancer. We can't do it without you!
