## Information for Businesses

### LA County Moves into Yellow Tier

The Los Angeles County Department moved into the least restrictive tier today (Yellow Tier) of the [State's Blueprint for a Safer Economy](#). The revised [Health Officer Order](#) includes the following changes:

The modifications to the Health Officer Order include the following:

- **Restaurants** can increase capacity for indoor dining to 50% capacity with continued safety modifications.
- **Hair Salons, Barbershops and Personal Care Services** can operate at 75% capacity with masks required, except for services where customers need to remove their masks. For services where customers must remove their face coverings, staff must wear a fitted N95 mask or a face covering with a face shield.
- **Bars** that do not provide meals can operate indoors at 25% capacity or 100 people, whichever is fewer.
- **Breweries, Wineries, Distilleries** that do not serve meals can increase indoors capacity to 50% or 200 people, whichever is fewer. No live entertainment permitted indoors. These establishments will follow the same public health directives as bars for their outdoor areas.
- **Fitness Centers** can operate indoors at 50% capacity. Masks are always required unless swimming.
- **Youth and Adult Recreational Sports and Community Sporting Events** can apply to Public Health for approval for athletic events, tournaments or competitions that involve more than two teams or multiple individuals. Indoor moderate and high contact sports are permitted following Collegiate Sports Protocols, which includes regular testing.
- **Live Event and Performance Indoor** venues up to 1,500 guests can operate at a maximum of 25% capacity or 50% if guests are tested or show proof of full vaccination. Venues with 1,501 guests and above can operate at 10% capacity of 2,000 people; whichever is fewer or 50% capacity for tested or fully vaccinated guests.
- **Live Event and Performance Outdoor** venues can expand to 67% capacity with

- safety modifications.
- **Amusement/Theme Parks/Fairs** can increase capacity to 35%. Fully vaccinated out of state visitors are permitted.
- **Cardrooms/Racetracks/Satellite Wagering Facilities** can operate indoors at 50% capacity. There must be 6-feet of distancing between tables and masks are always required. Food and beverages remain banned at the tables.
- **Movie Theatres** can operate at 50% capacity. Reserved seating only where each group is seated with at least 6 feet of distance between any other groups (in all directions); capacity is limited to ensure that there is at least 6 feet of distance between groups. Seating sections can be established for fully vaccinated people without 6 feet distancing requirements provided there is 3 feet of distance between these sections and other seats in the theatre.
- **Family Entertainment Centers** can operate at 50% capacity, 75% if all guests are tested or show proof of full vaccination.
- **Grocery and Retail Stores** capacity remains limited to 75% with continued requirement for distancing of at least 6 feet between customers.
- **Museums, Zoos and Aquariums** can be open indoors at 75% capacity with safety modifications.
- **Waterparks** can operate at 40% capacity with safety modifications.
