Public Health

Ongoing Requirements for Employers

As soon as practicable, but no later than January 17, 2022, employers must provide and require employees to wear a well-fitting medical grade mask, surgical mask, or higher-level respirator such as an **N95 filtering facepiece respirator** or **KN95**, at all times while indoors at the worksite.

Los Angeles County Department of Public Health

Requirements for Employers 1/5/22

We are committed to providing protection supplies to those who need it most, and who need it now. With 22 years experience, our relationships with manufacturers allow us to procure inventory, so it's available when you need it. Masks, gloves, gowns, hand sanitizers, face shields, thermometers, countertop shields, and other health-enhancing products. We are in this together, and that's why we provide the quality products you need.
