5 THINGS SUCCESSFUL LEADERS WILL DO IN 2022

As organizations close the books on 2021, leaders look forward to the new year with more perspective and an extra year of experience. And while no one knows what 2022 will bring or the challenges we will face, there are specific things successful individuals will focus on, regardless of outside variables. And if the past two years have taught us anything, it's that you have to be prepared for whatever success or struggles that may come our way. From embracing emotional intelligence to focusing on employee development to creating a more autonomous company culture, successful leaders do what it takes to ensure their teams have the tools in place to make this year one for the record books.

GEN. DOUGLAS MACARTHUR ON LEADERSHIP

True leaders are individuals who rise to the occasion and answer the call when others need them. One of these individuals was Gen. Douglas MacArthur. Rising through the ranks in the U.S. Army, MacArthur was appointed the Supreme Commander for the Allied Powers in WWII. To say he was a successful leader is an understatement, and his views on leadership still ring true today.
