

Investing in Health

Dear Friends,

The most worthwhile projects in our community are accomplished when local government, community organizations, and residents work together. Yesterday, I joined [Providence Saint Joseph Medical Center](#) to celebrate their [Minutes Matter Campaign](#), which upgraded their Emergency Department and Urgent Care Facility to provide timely care to patients. By positioning both facilities side by side, it will be easy for patients to access appropriate care, which ultimately reduces wait

Providence has one of the busiest emergency rooms in Los Angeles County and this expansion will help their exceptional staff meet the surging demand for emergency care in our communities into the future.

Because I share their commitment to ensure holistic healing for our communities, I was proud to [allocate \\$600,000 to build their new Behavioral Health Unit](#) in the Emergency Department to make sure residents not only get the physical care they need, but exceptional mental health support, too. The unit aims to serve people with behavioral health conditions and substance abuse disorders, providing critical support for the most vulnerable.

We really are at our best when we work together. This incredible effort wouldn't be possible without such inspirational collaboration. I'm grateful to join community partners to make our region healthier and stronger.

Best wishes,

Bettering Business

BizFed hosted their inaugural Bizzi Awards today to celebrate the people and organizations that help strengthen business in Los Angeles County. I was honored to present awards to the [Santa Clarita Valley Chamber of Commerce](#) and [Assemblywoman Suzette Martinez Valladares](#). I'm grateful for their leadership and partnership to make our businesses and County stronger!

Sun Village Juneteenth

Jackie Robinson Park has one of the oldest and most vibrant Juneteenth festivals in Southern California. It was particularly special to celebrate with the community last Saturday since just a few days before, we declared the park a Los Angeles County Landmark because Jackie Robinson himself was at the park's dedication in 1965. The festivities were a beautiful celebration of freedom and justice.

Political Activism

It's so crucial for community members to stay engaged with local government. I'm grateful to WISPPA (Women Involved in South Pasadena Political Activism) for their willingness to hear about how we're addressing the most pressing issues confronting our County, especially homelessness and mental health.
