A Letter from Los Angeles County Supervisor Hilda L. Solis

Dear Friends,

The month of June is both National Immigrant Heritage Month and World Refugee Awareness Month. And to that end, I'm proud to author a [motion](#) to mark this occasion as it provides people across communities an opportunity to recognize the courage and strength of refugees who are forced to flee their countries to escape conflict or persecution. It is also a time to celebrate the cultural heritage and diversity of the refugee and immigrant communities that help form our uniquely American experience.

Hundreds of thousands of immigrants and refugees of all backgrounds have found security and made LA County their home. Throughout the COVID-19 pandemic, many of them have been serving in essential frontline roles, working tirelessly to keep our communities healthy and safe. This annual celebration not only recognizes the remarkable resilience of refugees and immigrants rebuilding their lives here in the country but also celebrates their invaluable contribution to our society.

We at the County are committed to continuing working with our community partners to empower refugees and immigrants with resources and services to help them resettle and prosper in their new home. Our [Office of Immigrant Affairs \(OIA\)](#) is here to support refugees and their families realize their dreams.

As always, if you have any questions, do not hesitate to reach out to my office.

Sincerely,

Hilda L. Solis

Supervisor, First District
