Dear Friends,

I'd like to invite you to join me for a fun evening of music under the stars tomorrow, Saturday, July 2! We're back with Live at the Arboretum, this year featuring beloved country star [Sara Evans](#). I'm grateful to host the concert in partnership with the [Pasadena POPS](#) as part of their incredible lineup of summer concerts.

Something especially magical about live music in the summer when you're surrounded by trees and have a gorgeous view of the foothills behind you.

Best of all, tickets are affordable for every price point, starting as low as \$15 each. Guests are also invited to bring their own food and drinks (including beer and wine) to have a picnic before the show, or you can enjoy one of the many food trucks onsite. It's sure to be a memorable evening and a great opportunity to gather with family, friends, and neighbors. You can get your tickets, and more details, [here](#). I hope to see you there!

Best wishes,

Kathryn Barger
Supervisor, Fifth District

Pets of the Week

Bingo

Grizzly

Meet Bingo and Grizzly! Both of these friendly, calm, and cute pups are looking for a forever home. You can drop by the Palmdale Animal Care Center in the afternoon any day from 2 to 5 p.m. or on Wednesdays from 2 to 7 p.m. Also, you can make an appointment online for another time to see if one of them, or another animal, is your perfect pet!

Your Dollars at Work

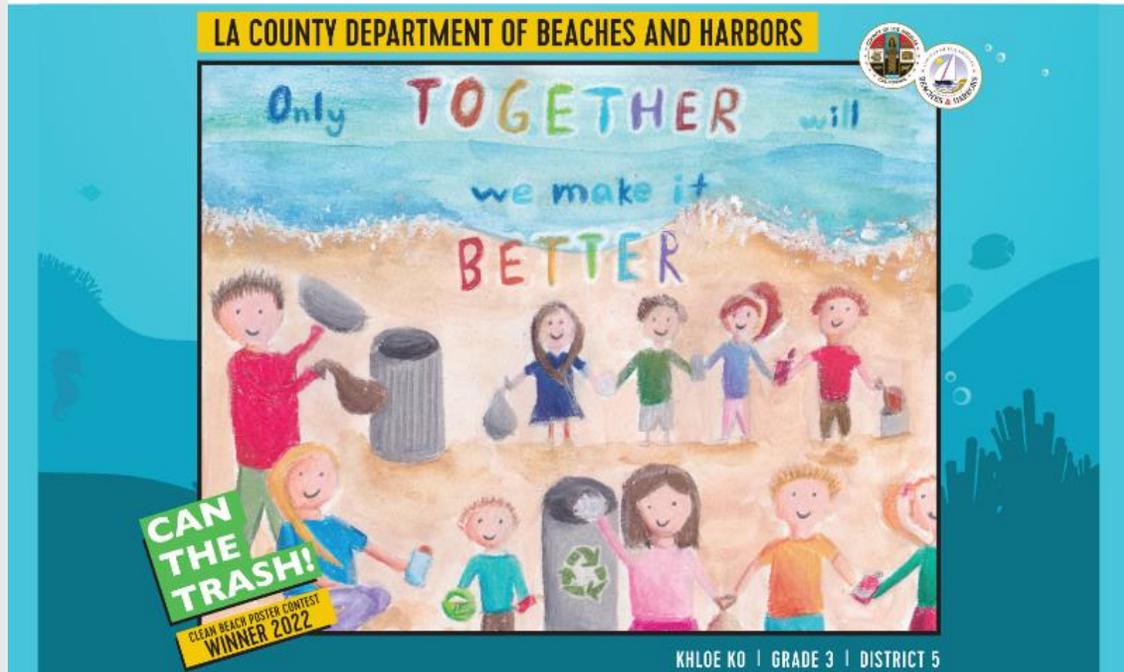

Whether high-profile or low-key,
County services touch the lives
of more than **10 million residents.**

The Los Angeles County Board of Supervisors had deliberations on Monday to discuss our \$39.7 billion budget. From public safety to mental health, our dollars should meet the needs of our community. I encourage you to learn more about our County budget because these are your dollars at work! There are short, informative videos at the link below that give a helpful breakdown of the process.

Contest Winners

When you visit the beach this summer, be sure to check out the incredible art by some of the talented students in our communities! Congratulations to Khloe (whose art is pictured above), Ariella, and Jessica on your beautiful Can the Trash posters that remind us to keep our beaches clean.

Resources & Recreation

Summer is officially here and it was wonderful to celebrate with the Monrovia-Arcadia-Duarte Town Council as they brought family fun, great food, a movie night, and valuable resources to residents of all ages at [Pamela Park](#). With the Parks After Dark program, you can find summer activities at a park near you, too!

High Desert Corridor

L.A. County is now one step closer to our ultimate goal of connecting our region to Las Vegas through a new high-speed rail. Locally, my motion approved at Tuesday's Board of Supervisors meeting will provide greater connectivity to high desert communities, increase access to affordable housing, and spur job creation and economic development.

Property Owner Support

We need to do more to help property owners who have been bearing the brunt of eviction protections while still making mortgage payments of their own. At Tuesday's Board meeting, we voted to find existing funding, legislation, and programs to bring them financial relief.

Prioritizing Health

Our Board approved my motion to declare August as “Los Angeles County Step Out Walk to Stop Diabetes Month” in partnership with the American Diabetes Association's Step Out Walk to Stop Diabetes campaign. This effort invites communities to raise funds for research, advocacy, education, and resources to put a stop to diabetes. Learn how you can get involved!
