

## Support for Seniors

Dear Friends,

With every permanent supportive housing project comes renewed hope and opportunity. This week, I joined The City of Pasadena and BRIDGE Housing to break ground on the new [Heritage Square South](#) project, which will equip seniors experiencing homelessness with the services and space they need to age with

Senior homelessness is a large and fast-growing segment of the homeless population countywide. For seniors who have endured chronic homelessness, this project represents a second chance. We've seen time and time again that housing is a crucial first step to ending homelessness—but the work doesn't stop there. Permanent supportive housing provides crucial onsite resources that make sure residents have the tools they need to stay in their housing for good and to live physically and mentally healthy lives. That's why Los Angeles County is committed to providing services with Measure H dollars to ensure seniors, and all people experiencing homelessness, not only survive, but thrive. [I've fought to give cities](#) like Pasadena access to more Measure H funding so they can continue to focus on developing housing solutions for their vulnerable communities. I look forward to hearing incredible stories of hope once all the residents move into this new space!

Best wishes,

At Tuesday's Board of Supervisors meeting, our Board will be presented with a motion that places a [Charter Amendment](#) on the November ballot to take away power from voters and give the Board of Supervisors the authority to unseat the Los Angeles County Sheriff. I seriously question the timing of this Charter Amendment given we are just a few short months away from the voters electing a Sheriff, as well as why it applies only to the Sheriff and not all eight County elected officials. I highly encourage you to call in to share your perspective on this matter!

# Live at the Arboretum

Nothing says summer like live music! Thousands of neighbors and music fans came decked in cowboy hats and boots ready for Sara Evans last Saturday at the Los Angeles County Arboretum. Thank you to Marla Tellez for emceeing and The Pasadena POPS for cohosting the event with me! I encourage you to catch another concert at the Arboretum this summer.

You can drop by the Palmdale Animal Care Center in the afternoon any day from 2 to 5 p.m. or on Wednesdays from 2 to 7 p.m. to pay them a visit! Also, you can make an appointment online for another time to see if one of them, or another animal, is your perfect pet.

# Fun on the 4th

It was such a treat to celebrate 4th of July with friends, families, and neighbors in communities old and new. First, I joined the festivities in Valley Village, which is in the Fifth District for the first time this year! I'm also thankful I could participate in the San Marino parade, and it was especially sweet to see the next generation of youth enjoy the fun just like I did when I was a kid.

# Moving Forward

At Metro's State of the Agency, we celebrated Supervisor Hilda Solis' term as Chair and congratulated Ara Najarian as our incoming Chair. I look forward to working with him on my priority transportation projects that increase connectivity and mobility in the Fifth District!

The Kollab Youth Workforce Development Program is looking for mentors to invest in the next generation. You'll only need to commit an hour a week for six weeks, but will have an immeasurable impact on the life of a teen. Mentees receive career, education, and life guidance and mentors have the opportunity to give back. There are cohorts this summer, as well as fall, winter, and spring to fit your schedule best.
