# Be Prepared

## **Traffic Delays**

As you're embarking on your Labor Day trips, please be aware that Caltrans has closed the right two lanes going northbound on 1-5 between Templin Hwy and Lake Hughes Rd because of the Route Fire. The left lanes will still be open, but please expect delays or find alternate routes. Recommended alternate routes are the 126 to 101 to 166 to I-5, or the 14 to 58 to 99. Southbound lanes will all be open.

While thankfully the firefighters recovered and no one else was hurt, it reminded us that we must be prepared for an emergency at all times. September is Disaster Preparedness Month, so there's no better time to get ready. Remember these three tips:
