Village Venture

On Saturday, Claremont Village was bustling with booths, activities, and fun for the 40th annual Village Venture. The event was hosted by the [Claremont Chamber of Commerce](#) and featured hundreds of small businesses and local organizations who had the opportunity to connect with the community. My team was excited to host a booth, where they spent all day meeting residents, sharing the latest about the County, and handing out giveaway goodies.

Together Inspired

Adventist Health White Memorial Hospital invests in the well-being of our community. It was a privilege to celebrate all the amazing work underway at their "Together Inspired" gala last Sunday, where we honored Congresswoman Lucille Roybal-Allard and the TELACU Education Foundation.

Industry & Commerce

The Valley Industry and Commerce Association is a strong advocate for businesses in the San Fernando Valley. At their meeting on Thursday, I was grateful for the opportunity to share my efforts to uplift the business community and to garner their members' input as we work together to make L.A. County more business friendly.

Fun at Farnsworth

Farnsworth Park in Altadena recently underwent a major makeover! You can see the before and after photos on the left and two local children enjoying the new playground equipment on the right. The gorgeous play area accompanies updates to the Farnsworth Park pickleball courts, walking path, fence, batting cages, restrooms, Davies Memorial Building, and ADA improvements. Residents were incredibly engaged in the process and gave valuable insight into the design of the new facilities that feature a natural color palette and emphasize the importance of accessibility, inclusivity, and group play.

Make a Voting Plan

The midterm election is just a few weeks away. Now is the time to think ahead to how and where you're going to vote. There are locations across the County available for you to vote in person or to drop off your ballot. Find a vote center or a ballot drop box conveniently located near you. If you send your ballot in the mail, you can track its status to ensure it's counted. Also, if you'd like to serve your community and earn some extra cash, there is still a need for election workers.

Grants for Seniors

The Los Angeles County Development Authority (LACDA) is launching a grant for seniors to make improvements to their homes that enhance health, safety, and mobility. Grants will be offered up to \$15,000 and are intended for property owners who are 62 and older and live in an unincorporated area of Los Angeles County. Improvements include door widening, ramps for wheelchairs, handrails, shower accessibility, lighting/switches, cabinets, water heaters, roofing, plumbing, electrical, heating/air, flooring, and appliances. For more information on the grants, email Liz Bieber, Manager of Housing Strategies, at Liz.Bieber@lacda.org today.
