## A Letter from Los Angeles County Supervisor Hilda L. Solis

Dear Friends,

Earlier this week, the Board of Supervisors unanimously approved my motion, co-authored by Supervisor Kuehl, to implement a Gender Impact Assessment (GIA) for County departments. This tool is part of the United Nations' 2030 Agenda for Sustainable Development to study gender inequalities, looking at both the symptoms and the causes, and providing a framework to help tackle these issues head-on.

This motion requires all departments to complete the GIA with a focus on identifying and tracking gender equity-related goals and advancing gender data maturity within their programs, services, policies, practices, and partnerships. By using this methodology and assessing gender data, departments can finely pinpoint gender imbalances within their organization and the services they offer County residents. It's important to note that GIA is not limited to women but to people of all genders.

Achieving gender equity is a multi-year effort. It requires us to question assumptions that our services affect everyone in the same way and apply an intersectional gender lens to improve our services. This includes better data tracking to identify gender imbalances and robust goals across each County department to improve our responsibility as an employer and service provider when it comes to women, girls, and residents of all genders.

I look forward to seeing a more equitable LA County with improved programs and services for all residents and employees.

Sincerely,

**Hilda L. Solis**

Supervisor, First District

## Operation Gobble Gobble 2022

Over 4,000 vulnerable families throughout the First District will receive free turkeys as part of my 8th Annual Operation Gobble Gobble. Many thanks to all of our sponsors for working with my office in putting this operation together. From Hacienda Heights to Westlake and East LA to Covina, I appreciate your commitment to serving our communities.

---

## Thanksgiving Resource Fair and Luncheon at Whittier Narrows

It was so great to be able to once again host our Thanksgiving Resource Fair and Luncheon for people experiencing homelessness at Whittier Narrows. Those who joined us received warm meals, free clothes and blankets, health services (Flu, COVID-19, and Monkeypox vaccines), pet resources, an opportunity to shower, haircuts, manicures, and so much more. It takes a village to host an event like this, and I am truly grateful for the support and collaboration from our County Departments and community-based organizations who helped to contribute.

## Medicine to Treat & Prevent COVID-19

**COVID-19 MEDICINE AVAILABLE NOW**

**PREVENTION MEDICINES**

If you have a significantly weakened immune system, or you can't get a COVID-19 vaccine for medical reasons, there is a new medicine to help prevent infection.

**DON'T DELAY:**

Ask your doctor about medicines to prevent and treat people who are at risk for developing severe COVID-19.

No one wants to get COVID-19, but sometimes it still happens despite your best efforts. The important thing is to have a plan and know what to do if you test positive. Treatments are now available that are proven to reduce the risk of hospitalization and death—and they're free. If you test positive for COVID-19, have a plan and act quickly to get free treatment.

## Childcare Provider Recovery Grant Program is Now Open!

**LOS ANGELES COUNTY**  
**CHILDCARE PROVIDERS RECOVERY GRANT**

Has the COVID-19 pandemic impacted your childcare business?

**WE'RE HERE TO HELP!**

**GRANTS STARTING AT**

**\$15,000**

AMOUNT BASED ON BUSINESS TYPE AND SIZE

---

**APPLY THROUGH FEBRUARY 14, 2023**

If you are a childcare provider working in LA County, you may be eligible to receive between \$15,000 and \$80,000 for your childcare business.

To qualify, childcare providers must be:

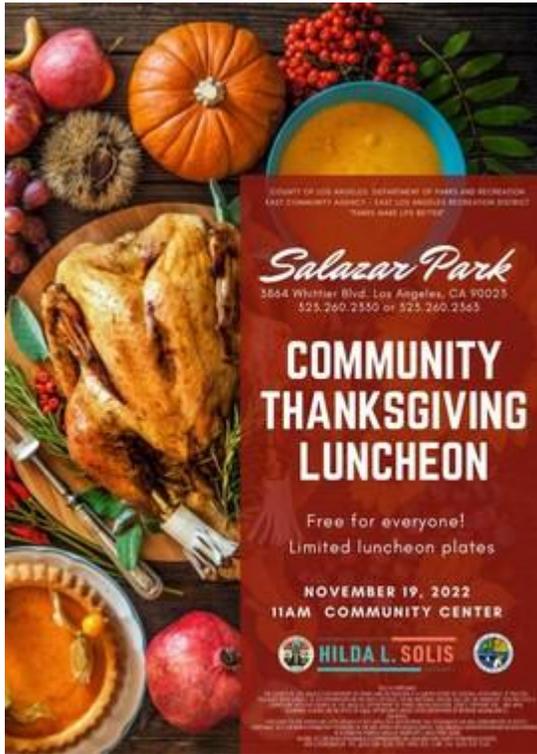

- Located in Los Angeles County, but not within the City of Los Angeles, and have an "active" child care license.
- Currently operating OR y closed due to the COVID-19 public health emergency to reopen.

The deadline to apply is Tuesday, February 14, 2023. The application is available in several languages.
