

# G.H. Wilke & Co.

*Hi to all our patient friends!*

We've been working hard to get our new location ready to move in and hope to be up and running within a month.... **CROSSED FINGERS!**

We wanted to let you know:

**We're still able to do special orders and repairs while not having a showroom.**

- Mother's Day
- Birthdays
- Anniversaries
- Just Because
- Getting a New Pet
- Whatever

Please feel free to leave a message at (626)284-9444. It has a generic message but we will get it.

You can also email us and we will get that too: [ghwilke1929@yahoo.com](mailto:ghwilke1929@yahoo.com)

If we can help in any way at all, please let us know.

We are looking forward to inviting you to our bright, shiny little jewel box once we've moved in and are **so** excited to have you visit us in our new home as we enter this chapter in our lives.

We miss our long-time home in San Gabriel but we think moving to Sierra Madre has much the same feel of what Grandpa Wilke discovered in the past.

Call or email us for ideas.  
We'd love to hear from you!

*All our best,*  
Tracy, Dario and Mila
